Deadly force....?
Who is it? This atmosphere...

Soah-!
멍첫..
Pause..
Mui!
Where are you?
...Mui?

Shuuu

Soah!

Mui-!

Who were you with and what the hell were you doing this late!
What do you mean who was I with? You're wrong. I was alone.

Strange... I definitely felt a strong hostility..
Maybe because I am weak in my human form. I made a mistake?
But I don't feel anything right now
DO YOU HAVE HOW DANGEROUS IT IS FOR A GIRL TO WALK AROUND IN SUCH A PLACE ALONE AT NIGHT?!
AND YOU DON'T EVEN HAVE A LANTERN EVEN THOUGH IT'S THIS DARK!

Why are you getting angry at me? I should be the one who is angry!
Do you know how worried I was because you hadn't returned?
I am not a young child.
I can take care of myself. So you don't need to worry about me.
...You're right I forgot for a second

Whatever it was, you've always decided and behaved all on your own...
Everything is kept a secret from me.
I didn't even know until later that Habaek and Mui was the same person.
...Earlier this noon, how were you able to be in Mui's form and now why are you in Habaek's form again...
All these things about you that I do not know... Why does Lady Woo-Hui know more about them better...

If you don't explain to me, I will not understand anything and get anxious
Whatever you say I will believe it.
So... Just tell me anything, Mui...
Yes, if I tell you everything right now, I will be at ease...
But how can I say it? That it's because of you that I cannot go back to Mui's form?
How can I say that if you're not with me I can go back to my original form?

If you find out the truth you will without a doubt try to leave my side.
This is not the right time.
At least... Until I find a clue in how to cure the
Sorry. But I can't tell you anything right now.
...I understand.

I will no longer ask you about anything.
Soah I don't hate you at all.

But... If you are by his side Habaek will be in deeper danger
So... this... cannot be helped

I thought we were pretty similar, you know
Don't you think we're similar in the sense that we both didn't receive the love and are becoming more and more hideous?

You're probably right, Mura...

I'm sorry, brother. Though I didn't want to bother you again...
What are you saying? I'm glad you came. You can stay here as long as you want.
Also, I met your mother while stopping by your house.
She's worried about you a lot. She said she'll leave you up to me.
But still... I cannot just leech off of you.

Let me at least help around the house.
Let's talk about that one later, but take a rest for now.
Okay... Brother.
But what about Mul? Weren't you with him?
Mul went out saying he'll be back later. He should be here soon.
Ah, also... I heard from your mother...
That your father... came back? Are you okay?

I heard you were hit... Are you okay?
I'm used to it. Don't worry about it.
I'm fine.
...I'm sorry, Soah.
I couldn't be by your side when you were struggling a lot... Please don't worry anymore. I will be by your side from now on.

Thank you, brother...
씨아아아

Mui and I can't just stay and burden brother
What should I from now on?
